## Profile

Business Development Consultant with 4+ years of experience in sales, consulting, and client-facing business development. Expertise in business development and sales strategy, market research, client relationship management, proposal writing, and cross-functional stakeholder coordination. Delivered 15% sales growth and built a qualified pipeline through targeted outreach, pricing adjustments, and repeat-client relationships.

## Employment History

### Business Development Consultant, Adaa Consulting, Fujairah, UAE

FEB 2026 – PRESENT

- Led business development initiatives by building and qualifying a robust sales pipeline, resulting in a 15% increase in new-business revenue.
- Engineered strategic partnerships and crafted go-to-market campaigns, contributing to a 35% growth in qualified leads.
- Conducted comprehensive market research to inform proposals and enhance product knowledge, ensuring alignment with client needs.
- Negotiated contracts and maintained strong client relationships, driving retention and repeat engagements.

### Consultant, The Excellencors, Dubai

AUG 2023 – FEB 2026

- Advised clients on business strategy and operational improvements, leading to enhanced efficiency and effectiveness.
- Analyzed market trends and organizational performance to identify critical issues and recommend tailored solutions.
- Prepared comprehensive reports and presented actionable insights to facilitate strategic decision-making.
- Engaged with stakeholders to implement strategies that fostered continuous improvement and increased client satisfaction.

### Sales Executive, Rofo Trading, Dubai

JAN 2023 – AUG 2023

- Increased sales by 15% through targeted customer engagement and strategic upselling initiatives.
- Developed and executed a promotional campaign that significantly enhanced product visibility in the market.
- Established and nurtured relationships with over 50 clients, leading to increased repeat business and referrals.
- Analyzed market trends to refine sales tactics, contributing to improved overall team performance.

### Intern, 3D Power General , Abu Dhabi

MAY 2022 – AUG 2022

- Conducted market and competitor research to inform project proposals, enhancing strategic decision-making.
- Prepared reports and presentations for senior staff, facilitating effective stakeholder communication and project coordination.

### Sales Promoter, Rofo Trading, Abu Dhabi

SEPT 2022 – OCT 2022

- Enhanced product visibility through strategic promotional displays, resulting in a 15% rise in sales.
- Engaged with over 100 customers daily, delivering detailed product knowledge and tailored recommendations.
- Consistently achieved sales targets by employing effective sales skills and fostering strong client engagement.

### Sales Promoter, Rofo Trading, Abu Dhabi

SEPT 2021 – OCT 2021

- Boosted product sales by 15% through engaging customer demonstrations and effective communication of product knowledge.
- Executed promotional events that led to a 10% increase in foot traffic, enhancing client engagement.

- Improved product displays and gathered customer feedback to inform marketing strategies.

## Education

### **Bachelor, Business (Major in Marketing), University of Sharjah, Sharjah, UAE**

JAN 2018 – JAN 2023

Completed a BBA with a focus on marketing strategy, digital campaigns, and market research. Capstone project: developed a go-to-market strategy and marketing plan for a local SME, including customer segmentation, positioning, and financial projections. Key skills gained: market analysis, campaign planning, consumer behavior, and stakeholder engagement.

### **Bachelor, Business (Minor in Management), University of Sharjah, Sharjah, UAE**

JAN 2018 – JAN 2023

Supplementary management coursework in Organizational Behavior, Operations Management, and Strategic Planning. Strengthened leadership, process-improvement, and project-management skills applied during consulting projects and internships.

### **Highschool Diploma, American School of Abu Dhabi, Abu Dhabi, UAE**

SEPT 2005 – JUL 2018

Graduated with a High School Diploma; built strong foundations in critical thinking, written communication, and time management that supported my university studies and early work experience.
