Profile

Business Development Consultant with a Bachelor's in Business from the University of Sharjah and hands-on experience in sales and consulting. Proven ability to develop and execute marketing and sales strategies that increased revenue and client retention—delivered 15% sales growth through targeted campaigns and repeat-client relationships. Skilled in market analysis, stakeholder engagement, and operational improvement; experienced advising clients on strategic planning and process optimization. Motivated, collaborative, and ready to contribute to growth-focused teams in dynamic environments.

Employment History

Business Development Consultant, Adaa Consulting, Fujairah, UAE

FEB 2026 – PRESENT

At Adaa Consulting I lead business development efforts building and qualifying a strong sales pipeline, forming strategic partnerships, and creating go-to-market campaigns. By tailoring outreach and pricing, I helped increase new-business revenue by 15% and grew qualified leads by 35%. I also carried out market research, Created proposals, negotiated contracts, and maintained client relationships to drive retention and repeat engagements.

Consultant, The Excellencors, Dubai

AUG 2023 – FEB 2026

Focused on advising clients in business strategy and operational improvements, enhancing their overall efficiency and effectiveness. Engaged with various stakeholders to identify critical issues and provide tailored solutions. Developed comprehensive reports and presented actionable insights to drive strategic decisions. Utilized analytical skills to assess market trends and organizational performance. Continuously worked on projects to optimize business processes and support client success.

- Guided clients through strategic planning, resulting in improved operational efficiency.
- Analyzed business operations and identified areas for process enhancement.
- Prepared detailed reports and recommendations, helping clients make informed decisions.
- Collaborated with teams to implement strategies that improved client satisfaction.
- Monitored industry trends to offer innovative solutions in line with market demands.

Projects:

Federal Authority for Identity, Citizenship, Customs & Port Security (ICP UAE)

Service Excellence, Performance Improvement & Government Excellence Programs

- Led the implementation of the UAE Government's Global Stars (7 Stars) Service Excellence Framework across multiple ICP centers, enhancing customer experience, operational efficiency, and innovation.
- Conducted end-to-end assessments against 7 Stars and GEM 2.0 criteria, delivering targeted improvement roadmaps in collaboration with senior stakeholders.
- Ensured compliance with federal excellence standards and supported audit documentation for external evaluations and award submissions.
- Delivered measurable improvements in customer satisfaction, service readiness, and alignment with UAE Vision 2031.
- Executed mystery shopper evaluations across ICP, MOHAP, and AJEP, covering digital and physical service channels (web, mobile, call center).
- Developed and structured excellence documentation, reports, and evidence frameworks to support institutional evaluation and readiness.
- Facilitated workshops and stakeholder sessions to align entities with excellence frameworks, governance models, and performance objectives.
- Provided data-driven insights and recommendations to enhance service quality, institutional performance, and continuous improvement initiatives.

Ministry of Health & Prevention (MOHAP)

Project Specialist – Sheikh Khalifa Bin Zayed Award for Excellence

- Co-developed and managed the Excellence Incubator system to streamline employee evaluation and award participation processes.
- Integrated employee performance data, historical records, and job profiles into centralized evaluation systems.
- Conducted structured performance assessments ensuring accuracy, fairness, and compliance with MOHAP excellence standards.
- Managed documentation and supported annual evaluations through data analysis and professional reporting.

Telecommunications & Digital Government Regulatory Authority (TDRA)

Service Quality, Data Analytics & Excellence Systems

- Analyzed data from 1,000+ sources, applying priority matrix scoring and gap analysis to identify critical service improvement areas.
- Delivered actionable recommendations to enhance digital platforms, call center performance, and overall service quality.
- Conducted mystery shopper evaluations across all customer interaction channels.
- Developed training materials on the Global Stars (7 Stars) framework to strengthen internal capability and alignment.
- Contributed to the development of a digital assessment system supporting 7 Stars evaluations, enabling improved reporting and continuous performance management.

Ajman Government Excellence Program (AJEP)

Consultant – Mystery Shopper & Excellence Assessment Projects

- Supported the delivery of mystery shopper assessments across Ajman Government service channels to evaluate customer experience and service quality.
- Assessed service performance against excellence standards, identifying strengths, gaps, and opportunities for improvement.
- Analyzed customer interaction touchpoints and contributed to structured evaluation reports and actionable recommendations.
- Collaborated with stakeholders to support service enhancement initiatives and improve overall customer journey performance.
- Contributed to excellence and Global Stars (7 Stars) initiatives for Ajman Police, supporting assessments, documentation, and alignment with federal excellence frameworks.

Sales Executive, Rofo Trading, Dubai

JAN 2023 – AUG 2023

Focused on driving sales and expanding market reach as a Sales Executive at Rofo Trading. Engaged with clients to understand their needs and provided tailored solutions, enhancing customer satisfaction. Collaborated closely with the sales team to identify new business opportunities and develop effective sales strategies. Utilized strong communication skills to build and maintain relationships with key stakeholders.

- Increased sales by 15% through targeted customer engagement and strategic upselling.
- Developed and implemented a successful promotional campaign that boosted product visibility.
- Built relationships with over 50 clients, resulting in repeat business and referrals.
- Analyzed market trends to adjust sales tactics, improving overall team performance.

Intern, 3D Power General , Abu Dhabi

MAY 2022 – AUG 2022

Supported business and project teams by conducting market research, preparing reports, and assisting with documentation and coordination. Performed data analysis to inform project recommendations and helped organize meetings and stakeholder communications.

- Compiled market and competitor insights used in project proposals.

- Assisted in preparing presentations and technical documents for senior staff.
- Coordinated project schedules and tracked deliverables.

Sales Promoter, Rofo Trading, Abu Dhabi

SEPT 2022 – OCT 2022

Worked as a sales promoter at Rofo Trading, tasked with driving product awareness and increasing sales in a competitive market. Engaged directly with customers to explain product features and benefits, enhancing their purchasing decisions. Focused on achieving daily sales targets by employing persuasive communication strategies. Collaborated with the sales team to optimize promotional activities and maximize customer engagement.

- Increased product visibility by setting up promotional displays, leading to a 15% rise in sales.
- Engaged with over 100 customers daily, providing product information and personalized recommendations.
- Achieved sales targets consistently through effective communication and customer engagement.
- Coordinated with team members to streamline promotional efforts and improve customer reach.

Sales Promoter, Rofo Trading, Abu Dhabi

SEPT 2021 – OCT 2021

Worked as a Sales Promoter at Rofo Trading, focusing on boosting product visibility and driving sales. Engaged directly with customers to explain product features and benefits, enhancing customer knowledge and interest. Coordinated promotional events and maintained product displays to attract potential buyers. Tracked sales performance and provided feedback to improve marketing strategies.

- Increased product sales by 15% through effective customer engagement and product demonstrations.
- Organized and executed promotional events, resulting in a 10% rise in foot traffic.
- Enhanced product displays to improve visual appeal and attract more customers.
- Gathered customer feedback and shared insights with the marketing team to refine strategies.

Education

Bachelor, Business (Major in Marketing), University of Sharjah, Sharjah, UAE

JAN 2018 – JAN 2023

Completed a BBA with a focus on marketing strategy, digital campaigns, and market research. Capstone project: developed a go-to-market strategy and marketing plan for a local SME, including customer segmentation, positioning, and financial projections. Key skills gained: market analysis, campaign planning, consumer behavior, and stakeholder engagement.

Bachelor, Business (Minor in Management), University of Sharjah, Sharjah, UAE

JAN 2018 – JAN 2023

Supplementary management coursework in Organizational Behavior, Operations Management, and Strategic Planning. Strengthened leadership, process-improvement, and project-management skills applied during consulting projects and internships.

Highschool Diploma, American School of Abu Dhabi, Abu Dhabi, UAE

SEPT 2005 – JUL 2018

Graduated with a High School Diploma; built strong foundations in critical thinking, written communication, and time management that supported my university studies and early work experience.
